Thiruvananthapuram-1

Sir,

Sub: - Election Department – Summary Revision of Electoral Rolls, 2014-
Schools having Polling stations to function as Designated Voter
Registration Centres during Special Campaign Days – access to
computer and internet facility in schools – request for – reg.

The Election Commission of India has decided to conduct Summary Revision of Electoral Rolls in the State, from 23.09.2013. As part of the activities, two days, i.e., September 29th and October 20th (both Sundays) will be Special Campaign Days. During these days, people will have facility to enroll themselves, by visiting their polling stations.

This year, as the election department is going for 100% online enrolment, it is proposed that each polling station location has to function as online voter registration centres on the above mentioned Special Campaign Days. The campaign activity will be from 10 AM to 5 PM. For this purpose, the computer and internet facility available at schools shall be used for this purpose. A staff member of the institution itself shall be put in charge of the centre, along with the booth level officer of the area. He/She will be given necessary training to do the job.

As all the schools in the State have computer and internet facility, it is desired that the computer and internet resources of the schools under their jurisdiction may be placed at the disposal of the Election Department, for the purpose mentioned above, on the two special campaign days, i.e., September 29th and October 20th, 2013.

I request you to issue necessary instruction to the district and local authorities of your respective Departments, to co-operate with the Election Department to make the Special Campaign as part of the Summary Revision of electoral rolls, a big success.

The Election officials of the concerned area will approach the schools for further action in this matter.

Yours faithfully,

NALINI NETTO

Chief Electoral Officer &
Additional Chief Secretary to Government
